

Personal Data Protection

Personal data - processing.

Identity of data controller: Jozef Stanislav, Starojánska 70, 03203 Liptovský Ján.

Purpose of processing:

Accommodation services

Legal basis for processing and collection of data is imposed on the accommodation facility by:

Municipal regulation of the municipality Liptovský Ján on registration of accommodated guests,

Statistical Office of the Slovak Republic, report No. CR 1-12

Scope of personal data processing:

Following data are required from accommodated guests for processing:

Name and surname

Address of permanent residence

Number of identification document

Duration of vacation.

We do not process data provided by the portal booking.com

Address of place of processing:

Starojánska 70, 03203 Liptovský Ján, Slovak Republic.

Further recipients to whom personal data are disclosed: none

Data are recorded in electronic form on equipment with coded access, to which only the data controller has access.

Data serve solely for statistical processing, which uses numbers of guests and country of origin without specification of guest's name, or else serve as basis for the payment of tax on accommodation on the basis of the municipal regulation.

Data retention period: records of accommodated guests in electronic form are retained for 6 years.

Provision of said personal data from guests to the accommodation facility is a legal requirement arising from the Act on Local Fees. In case the guest does not provide these data, s/he cannot be accommodated.

Accommodated guests have the right to lodge a complaint to supervision authority: European Data Protection Board and Office for Personal Data Protection in Bratislava.
