Globalization and health is an online open access diary, subjected to peer review that provides a platform for research, knowledge sharing and debate on the topic of globalization and its health effects, both positive and negative. However, Duolingo supports the main medium languages such as Spanish, French, German, Italian, Chinese and Japanese. The revision chapters generally cover social processes, institutions and culture, organizations, political and economic sociology, stratification, demographics, urban sociology, social policy, historical sociology and important developments in sociology in other regions of the world. Basically, it is human closeness: people now live in the metaphorical pockets of the other. © 1996-2014, Amazon.com, Inc.
